To Whom It May Concern:

Re: Wellington Builders Inc., Forest ON

Dear Sir/Madame

I am pleased to have this opportunity to write this letter of reference for Wellington Builders Inc.

My architectural firm has worked with Wellington Builders Inc. on a number of construction projects over the years. They have included renovations, additions and new commercial buildings. Included in this list are projects such as the St. Christopher's Catholic Church in Forest (\$2 Million), the Addition to Grand Bend Elementary School (\$2.3 million) and the \$6 Million Arena and Recreation Centre for the Municipality of Lambton Shores. More recently, we have worked with Wellington Builders on the Addition to Lansdowne Public School in Sarnia and Renovations to the Forest Curling Club.

In all the time I have had the pleasure of working with Wellington Builders Inc., I can assure you that their work has been of the highest calibre. Their coordination of the sub-trades has been thorough, and all projects have proceeded on schedule. Change Order pricing has been fair and appropriate, and we have always had good reports back from sub-trades on the timeliness of their payments. Most important, they possess the unique quality of forecasting upcoming events and addressing questions long before such questions could develop into problems.

I have no reservation in granting my fullest recommendation for Wellington Builders Inc. for any project you may be considering.

If you have any questions, please do not hesitate to contact me.

Sincerely

Peter J. Cook
